Partner with us.
Together we can fulfill dreams.
The University of Haifa’s Carmel Campus is situated atop Mount Carmel, overlooking the city of Haifa and the Mediterranean Sea. With 7 faculties, 56 departments, 8 schools and 69 innovative research institutes and centers, the campus is home to the largest institution of higher education and research in northern Israel.

Our campus is a true microcosm of Israel’s unique ethnic-religious-linguistic-social mosaic. We are bound by shared values and attitudes that promote upward mobility, income equality and egalitarianism in general.

Here Jews, Arabs, Druze, Ethiopian, new immigrants and veteran residents, secular and religious, and people with different political views and outlooks on life study together in an atmosphere of intellectual curiosity and mutual respect.

The University’s new five-year strategic plan is set to transform the Carmel Campus into a magnet for the best and brightest and a breeding ground of knowledge and innovation. Over the next few years, the University has plans to recruit some 200 new faculty members and invest in state-of-the-art facilities to support innovative research and teaching activities. The ambitious plan requires a significant investment in facilities and capital equipment.

We invite you to partner with us to shape the future of research and education in northern Israel and around the country.

A generous gift of $50 million will enable the University of Haifa to dedicate the Mount Carmel Campus in your name.
