

## The Carmel Award of Merit

is presented to

### The Leona M. and Harry B. Helmsley Charitable Trust

For sharing our vision for Marine Research and its strategic importance  
for the State of Israel;

For providing the University of Haifa with the support to continue its leading role  
in this field for the benefit of the entire State of Israel and the global community;  
For your support of endeavors directed at improving the quality of human life, and;  
For your investment in critical projects within the State of Israel that will add to its  
prosperity and strength.
